BRIGHTBURY SELECTIONS

How We Arrived Here

The selections that follow reflect the thoughtful culmination of our design process at Birney Park. Kara Cox Interiors led the effort, bringing her signature blend of artistry and practicality to each decision. Conversant in both timeless and modern design, Kara guided every Brightbury homeowner through selections, giving our team valuable insight into what clients truly love, refined materials, enduring style, and understated luxury.

With these learnings, Kara collaborated with Beacon Streef's design team to curate the palettes shown here — balancing continuity with individuality so that each residence feels distinct yet cohesive. Drawing from our experience at Fairview Row and The Wade, we refined these selections to set a beautiful foundation for personal expression.

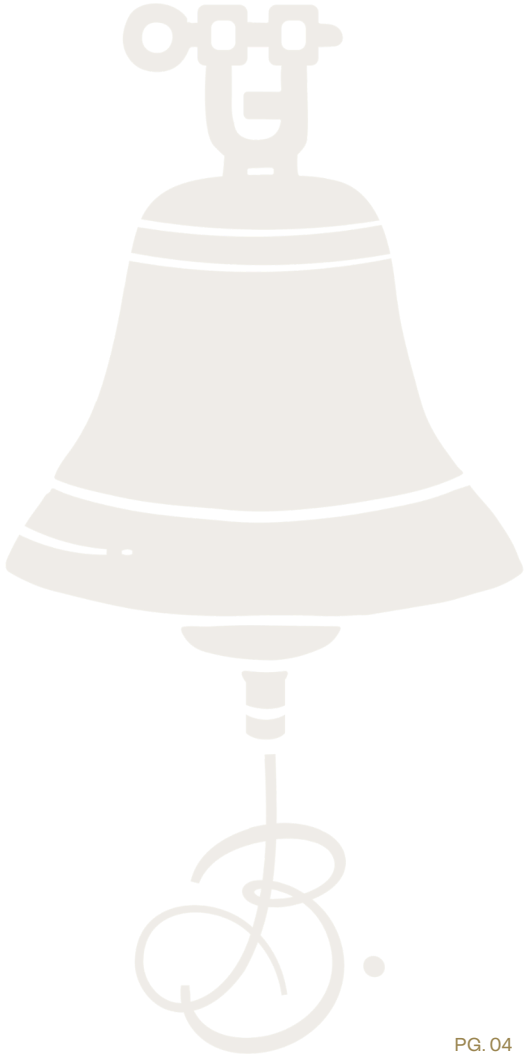

Though the selections are set, the story is yours to continue. We invite you to imagine how art, textiles, and color will layer atop this palette, creating a home that feels both impeccably crafted and unmistakably your own.
